CAYMAN SUBSTANCE: THE PATHWAY

With Cayman having recently issued its Economic Substance guidance notes, managers understandably may be unsure of their options. This flow chart presents the questions and solutions as we see them.

IF YES, THEN CAYMAN SUBSTANCE RULES IMPACT YOU
3 Possible Options:

KEEP MANAGER: RELOCATE YOUR STAFF

Ask your staff to relocate to Cayman, organise accommodation, visas, office space. If you need help with this, talk to our local professionals who can help you make arrangements and provide you with consulting services to minimise the pain of this

HELIX HOSTED "AIFM" PLATFORM

Appoint Helix as your 'AIFM' and delegate Portfolio Management to UK Manager. Helix is a SIBA Registered Investment Manager

We offer a team of experienced investment industry professionals who can provide Risk, Investment, Trading and operations experience with multiple relevant industry qualifications to allow the "Core Income Generating Activities test" to be satisfied

KEEP MANAGER: BRING IN SKILLED PROFESSIONALS FROM IPAF

Appoint IPAF industry professionals to the board of the Cayman manager and have them perform an executive role as opposed to the traditional passive role historically performed

The IPAF Cayman team have relevant industry experiences to perform a range of investment and risk functions within your existing framework. We can fit into your workflow as required thus avoiding disruption and minimising undesirable complexity in your business
